

Compadres in the Old Sierra Madre

Key of Em

Riders In The Sky

Em C7
There is a place I know way down in Mexico
Am B7 Em C7B7
High in the old Sierra Madre
Em C7
Where many an outlaw band from across the Rio Grande
Am B7 Em
Have found a haven, a holdout, a hideaway

D7sus D7 G
But danger rides with those who stray upon their secret
Cmaj7
hideaway

D7sus D7 B7 C7 B7
Where death is sure to welcome anyone within the law
Em C7
But if a man must run from any lawman's gun
Am B7 Em
He'll find compadres in the old Sierra Madre

Em C7
Deep in the dark of night, beside the campfire's light,
Am B7 Em C7 B7
They weave the tales of the lives of the bandits.

Em C7
Of fortunes rare and old, of coaches filled with gold,
Am B7 Em
Holdups pulled off like they planned it.

D7sus D7 G
But danger rides with those who stray upon their secret
Cmaj7
hideaway
 D7sus D7 B7 C7 B7
Where death is sure to welcome anyone within the law
 Em C7
But if a man must run from any lawman's gun
 Am B7 Em
He'll find compadres in the old Sierra Madre
